

CROSSROADS
COUNSELLING
EVERYONE MATTERS

~ Announcement ~

Dear Friends, Supporters, and Associates;

It is with a heavy heart that I (we) inform you that Crossroads Counselling will cease operations at the end of December 2022. This has come about as a result of significant, long term changes in the counselling industry, including ever increasing complexity and difficulty in maintaining stable funding, intense competition for credentialed staff by government and private agency, provincial centralization and dramatic fluctuations in client participation to name a few.

The decision to close our doors has been difficult and was made through much prayer and effort.

We are extremely grateful for the positive impact that your involvement and support has had on the agency's ability to positively impact the lives of so many in its 36 years of service.

A heart felt thank you to all staff members, board members, donors and affiliates, past & present who have shared in this journey over the life of the agency – please accept our immense gratitude for helping shine the light of Christ.

In His Service;

Hendrik Fourie
Board Chair
